- 5AA battery operated; 5 years battery life or 200,000 cycles, typ.
- Grade 1 Durability. Rugged Clutch Mechanism. Weatherproof models, too
- Also available with Double-sided Keypad Access on two sides of door

Lockdown Function

The Trilogy series has a model with LocDown, which improves school and campus security by empowering faculty and staff at the first sign of trouble to remotely press their pocket-sized key fob's button to lock out unauthorized access, instantly locking-down a classroom or area, allowing all to remain safely inside.

Lock-down up to four locks with one compact remote keyfob. Up to 50 keyfobs can be supported on each lock. Each keyfob can also control up to four locks for remote lockdown activation, up to 100' away. **Bright visual lockdown indicator bar** on inner door confirms security activation to occupants; Outside small indicator light flashes and/or optionally beeps when in lockdown.
